FOUND AN ESCAPED CONVICT.—Several days ago some of Mr. W. H. Bank's neighbors in the northwest section of the county, noticed a negro lurking near his premises. He at once arrested him and Mr. Dunbar recognized him as Allen Crosby, a negro who was sent to the penitentiary from Chester for murder about a year ago. He had been out of the penitentiary about three months. Mr. Banks took him to Columbia and the authorities paid him \$50 for his trouble. The party associated with him in the crime was hung, but Allen went to the penitentiary for life.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound and imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Electric Bitters is especially adapted to cure all Kidney and Liver troubles and often gives almost instant relief. One trial will prove our statement. Price only 50c. for large bottle. At McMaster & Co.'s drug store.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, etc.

MR. HALL'S IDEA OF THE NEW MOVEMENT.

Continued from page two.

Mr. Editor: The action of the Democratic (?) Convention which assembled in Winnsboro on the 10th inst. finds no parallel in the history of Democracy in South Carolina.

What did it do? It met, drew up resolutions soliciting the support of Democrats, nominated a full county ticket, and passed a resolution in favor of nominating a full State ticket; all in opposition to the ticket recently nominated at the primary election.

What is wrong in this? A primary election has been arranged for the white people—Democrats—by which they might settle their differences, and all Democrats were bound by honor to support the nominees of this primary election. This enabled the white people and Democrats to unite their strength to preserve white supremacy.

Any ticket placed in the field subsequent to this primary was branded, a Radical, Independent, or Third Party ticket.

Now, one or the other of these names must attach itself to this new party. It cannot be called a Democratic party, simply, because by its action on the 10th, it placed itself before the people of Democracy. It has prostituted the fundamental principles of Democracy; thrown down the landmarks of Anglo-Saxon supremacy; and opened the way for negro domination, in other words, this hybrid party has labored almost as zealously to restore the chaos that existed previous to '76, as the patriotic Carolinians did to wrest the power from the carpet-baggers and scoundrels, and restore the government to the white people.

Now consider; this party cannot even be called a bolting faction of the Democratic party, since there was no bolting. It was a new party, a primary ticket, but it was a deliberate move, conceived and planned before the primary. It thereby bears upon its face the brand of *Independence*.

This party took no part in the regular primary. It was a "split off" party, a coalition of Democratic rules and regulations—wherefore? This is unity and harmony! Instead of two dissenting factions within the lines of one party, we find one faction—a minority, not satisfied with the power of the majority, splitting from the party.

The case of the State vs. Wesley Mobley and Geo. Mobley, Jr., was taken up. Mr. J. E. McDonald represented the State and Ragsdale represented the defendants. Verdict—Not guilty.

The case of the State vs. James B. Hinton was taken up. He was charged with assault and battery with intent to kill. He was tried in his absence and acquitted. Mr. J. E. McDonald represented the State and Messrs. Ragsdale & Ragsdale the defendant.

The State vs. James Gelson and Edward Gelson for assault with intent to kill. J. E. McDonald represented the State and Ragsdale & Ragsdale the defendants. Verdict—Not guilty.

The State vs. James E. Johnston, charged with rape. J. W. Hanahan and J. G. McCants represented the defendant, J. E. McDonald the State. Verdict—Not guilty.

The State vs. Phillip Jenkins, for failing to support his children. Verdict—Guilty. He defended himself.

The State vs. John Byrd, charged with assault and battery with intent to kill. Verdict—Guilty. Sentenced to three months in the penitentiary or pay a fine of \$10.

Saturday.
In the case of the State vs. J. F. Harrison the Court ordered it back before the trial justice.

Sicily Griffin was sentenced to one year in the penitentiary and Charles Griffin to eighteen months. They were convicted of stealing meat from Mr. George Brice.

The Court changed the sentence of Alf Cason from two years to eighteen months in the penitentiary.

The Court of General sessions then adjourned sine die.

The Court of Common Pleas convened at 10 o'clock.

The first case taken up was D. P. Crosby vs. H. A. Stevenson, suit on note. A. S. & W. D. Douglas for plaintiff, J. E. McDonald for defendant. Verdict for plaintiff for amount of note.

Mary A. Gilmore, administratrix vs. James B. Walker, suit on note. Ragsdale & Ragsdale for plaintiff, A. S. & W. D. Douglas for defendant. Verdict for defendant.

Living W. Larimore, physical director of Y. M. C. A., Des Moines, Iowa, says he can conscientiously recommend Chamberlain's Pain Balm for rheumatism, neuralgia, toothache, sprains, dislocations, and all soreness and stiffness of the muscles. When applied before the parts become swollen it will effect a cure in one half the time usually required. For sale by all druggists.

A CORRESPONDENT SAYS ALI'S WELL.
Mr. Editor: We had a fine rain few days since. Don't believe the corn on low land is damaged much. Cotton crop will be short. Corn not as good as we once thought. Mr. J. W. Keister has eight acres in one body that will average thirty bushels per acre. It is on branch bottom and has been well worked. The corn is planted about four feet in the row and three feet in drill. Would thank North Carolina to send us a few more Keister's.

Hurrah for the State Democratic Convention! Surely everybody will be satisfied now. Every man from Governor down will be voted for in a general primary. Cast your individual ballot for the man of your choice. The Reform Movement will be a complete success now. This is the measure we have been contending for so long—little crumb (?) we admit, but it's just.

Now is a splendid opportunity for everybody to get into the regular Democratic channel. C. S. F. Mitford, S. C., September 22.
